- ★ Tennis - Boys Varsity
- ★ Tennis - Girls JV and Varsity
- ★ Track - Girls and Boys

2013 - 2014

**ATHLETIC
BOOSTER
CLUB**

Join the Paxon Athletic Booster Club and help make our athletic teams as competitive as our academic programs. One half of your \$25.00 membership supports the team(s) of your choice with the balance supporting all athletics.

Paxon has over 30 athletic teams. Unfortunately, the county does not provide funding for athletics. Each team is required to do their own fund raising. The Booster Club helps by covering some of the expenses that these teams incur and improving the first impression of Paxon athletics.

During the past 10 years, the Booster Club has given \$20,000 in scholarships to graduating student athletes and more than \$10,000 to various teams. Booster funds have been used to upgrade and maintain our athletic facilities and equipment and cover our team's tournament and post-season play expenses.

What we do...

- ★ Provide concession sales for 20 of Paxon's teams
- ★ Purchase Team Awards
- ★ Purchase equipment
- ★ Fund scholarships given to deserving senior athletes (*Student must be a Booster member to be eligible*)
- ★ Give special recognition to the teams advancing to post season play
- ★ Give special recognition to the team with the highest percentage of booster memberships

All of this is made possible through countless hours of volunteer service, concession sales, your membership fees, and generous contributions. Be a part of the Booster Club experience by signing up as a volunteer on the opposite page or contacting one of the following Booster Club board members:

Jermaine Wilson, President
